TIMELINE

Every dream pursuit is as unique as the Dream itself, and there is no “right way” to achieve a Dream. The Pursuit phase includes 10 months of group sessions to help accelerate your process, but your window for achievement can extend all the way to a full 17 months. Let’s be honest though—the sooner you make that Dream a reality the better, right?

HOW TO ENGAGE

At CTC, we believe in legends. Our legends are the men and women who embody what it means to be a CTC Entrepreneur. By achieving your Dream, you have proven that you are full of effort and interest and commitment to the life-long process of dreaming. Your story is now one that other Entrepreneurs can point to and say “they achieved their Dream and so can I.”
